By the end of this program:

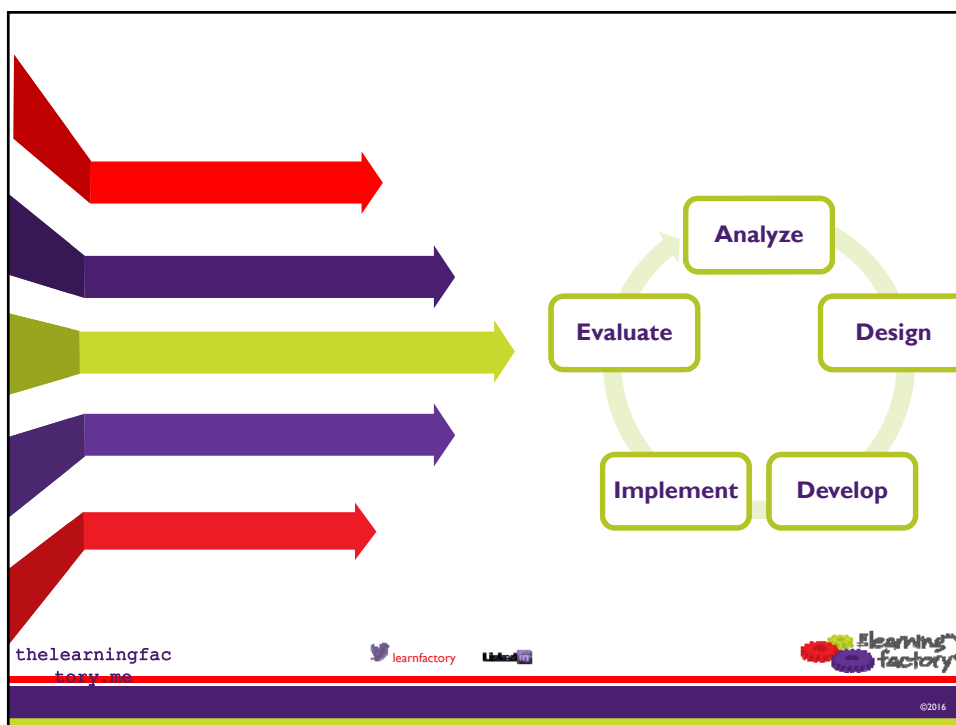

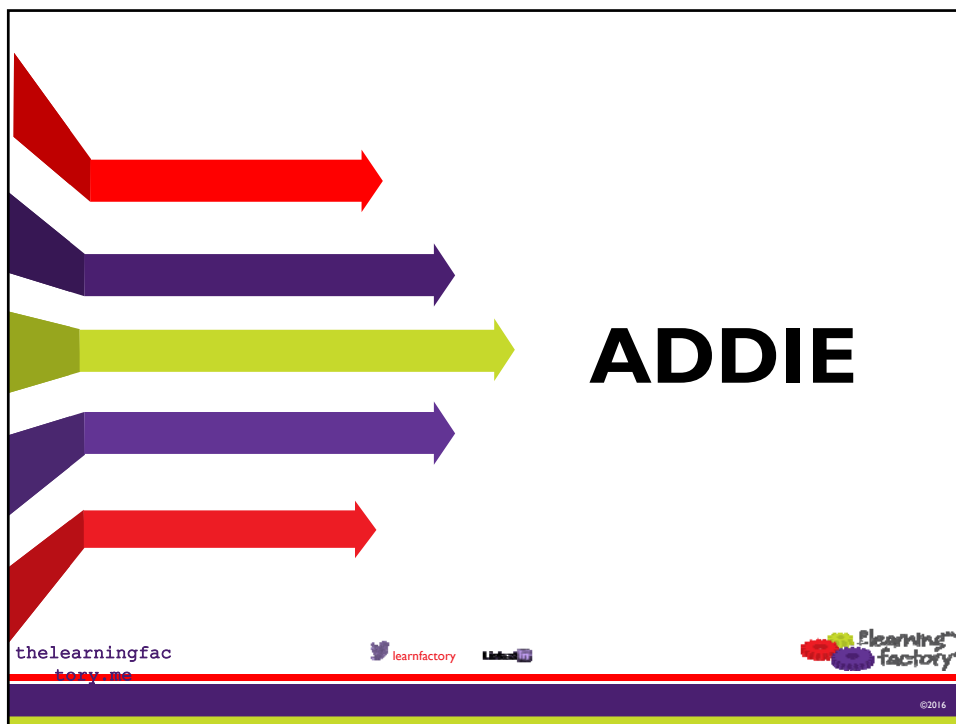

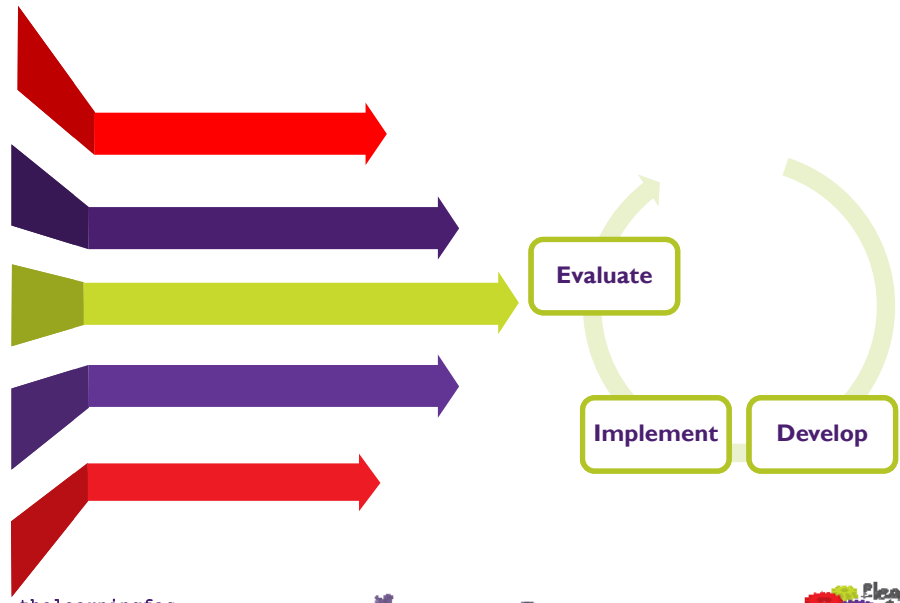

- Explain ADDIE
- Develop measurable learning objectives for an upcoming training project,
- List 5 ways you will ensure your program "sticks" with your attendees.

SHOSHIN

Zen Buddhism meaning "beginner's mind",
...having an attitude of:

- openness,
- eagerness, and
- lack of preconceptions when studying a subject, (even when studying at an advanced level, just as a beginner in that subject would.)
