INSafe Small Business Safety & Health Training Scholarships

Eligibility: A limited number of full course scholarships are available to Indiana businesses with 250 employees or less. INSafe will review applications and select recipients.

One scholarship application per person.

Scholarships: Successful applicants will receive a full registration. Scholarship will include course materials, continental breakfast and lunch, and seminar registration. Scholarships are transferable within your company.

Limit three scholarships per company, per course. Each individual may select three courses for which to receive INSafe scholarships.

If an INSafe scholarship recipient wishes to cancel their course registration for any reason, they must do so at least five business days prior to the start date of the seminar.
